

Buffets with Sweetheart Table

Floor Plans

The floor plans in this catalog offer a starting point for your event layout. Please choose an applicable floorplan from this list, you may choose to print out, number your tables, and then correspond number of guests at each table. Further, you can identify if additional tables are needed at different locations of the venue.

For reference we have the following table options:

Qty	Size	Description	Common Use
36	60"	Round Tables	Guest Tables
3	48"	Round Tables	Sweetheart, cake, or gift table
2	30"	Round Tables	Card box, memorial
8	8'	Rectangular Tables 30" deep	Buffet, desserts
6	6'	Rectangular Tables 30" deep	Buffet, desserts, foyer table assignments
2	6'	Rectangular Tables 18" deep	Foyer name cards/etc. (gives more width in foyer)

Buffets with Sweetheart Table

These floor plans include buffet tables either positioned to the side of the venue (when guest count is less than 200 people) or on the dance floor (which is then broken down at the end of dinner service).

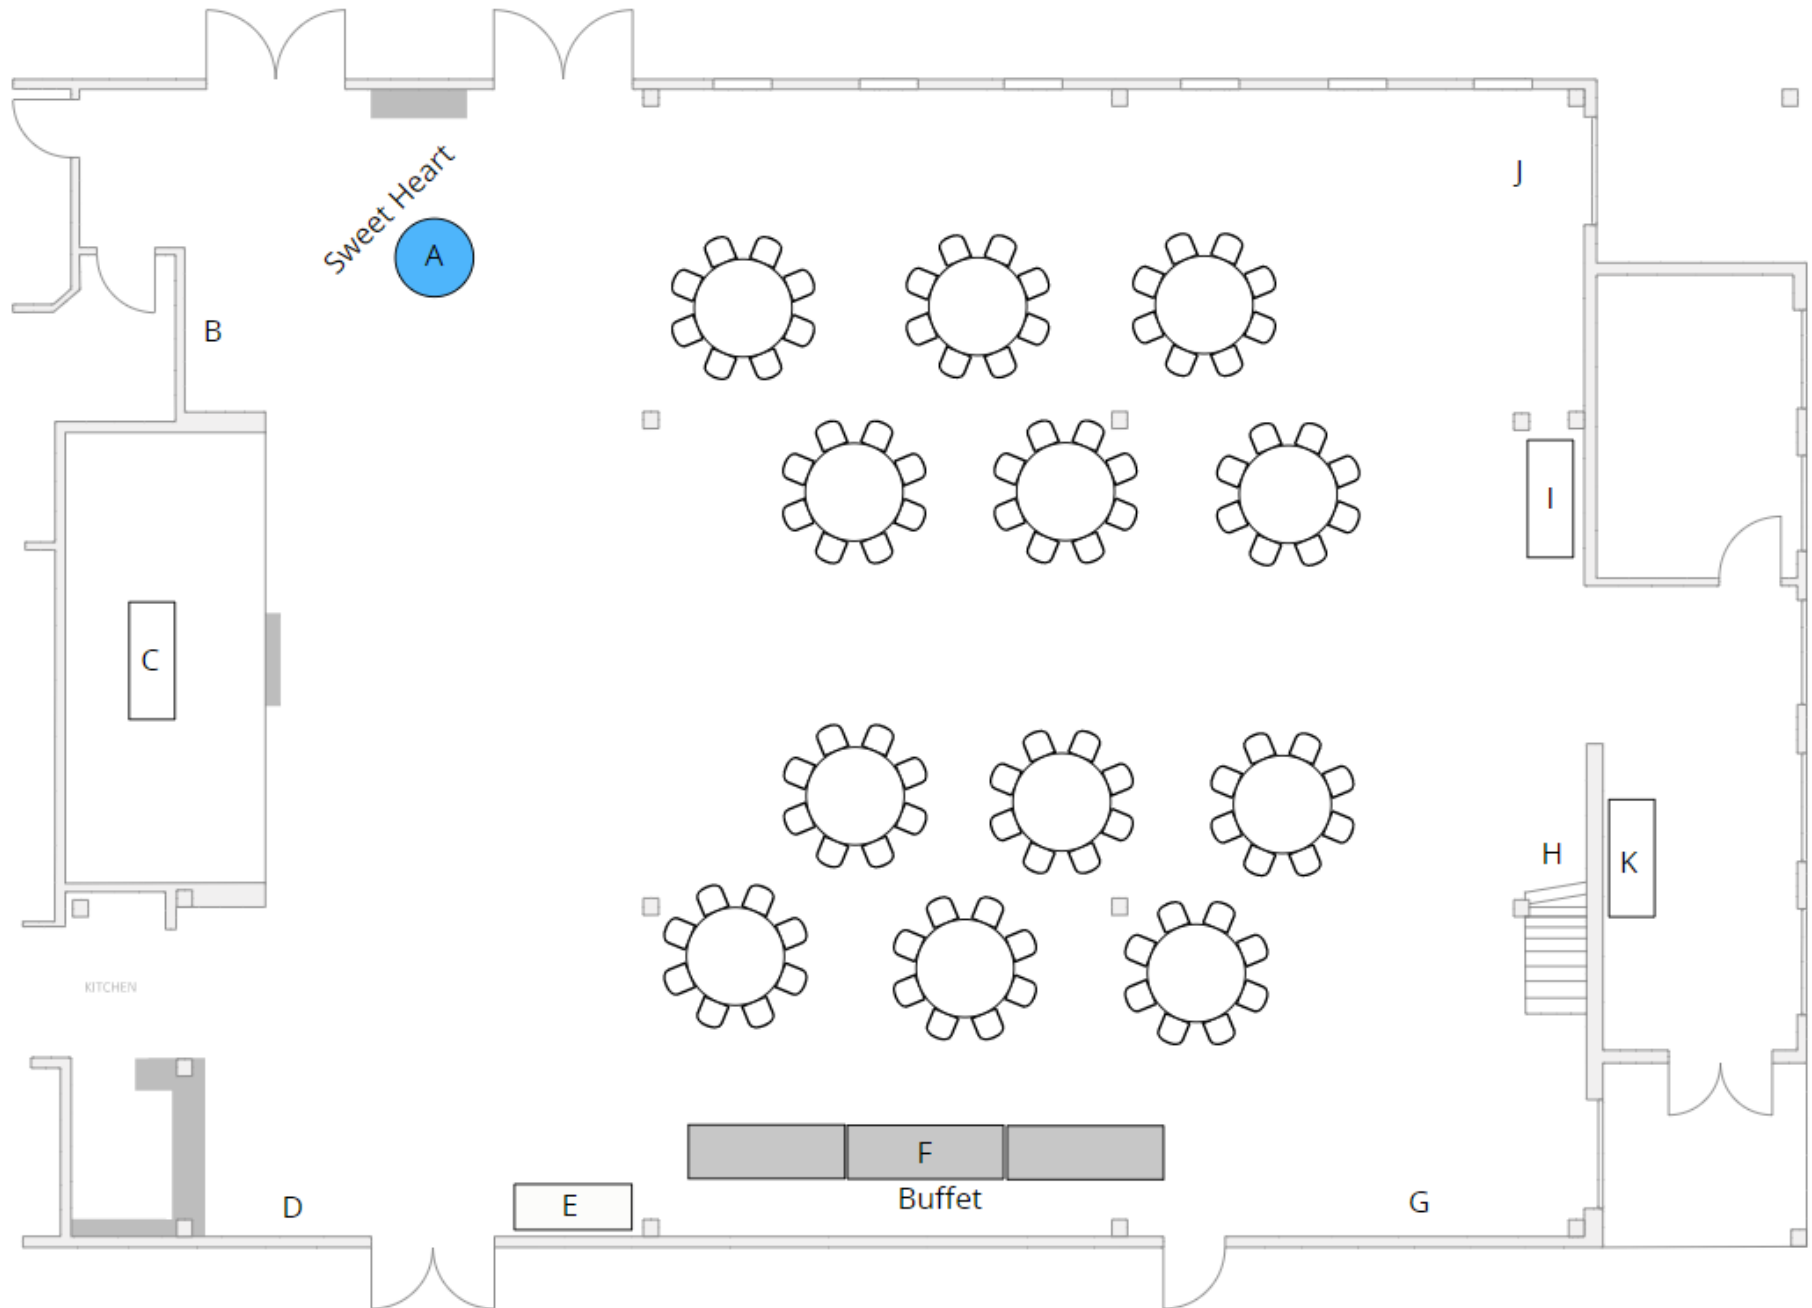

After selecting a floor plan, please complete the form below. Note: Floorplans show Sweetheart table in front of fireplace, if you rather on stage, just note below.

Floorplan # _____

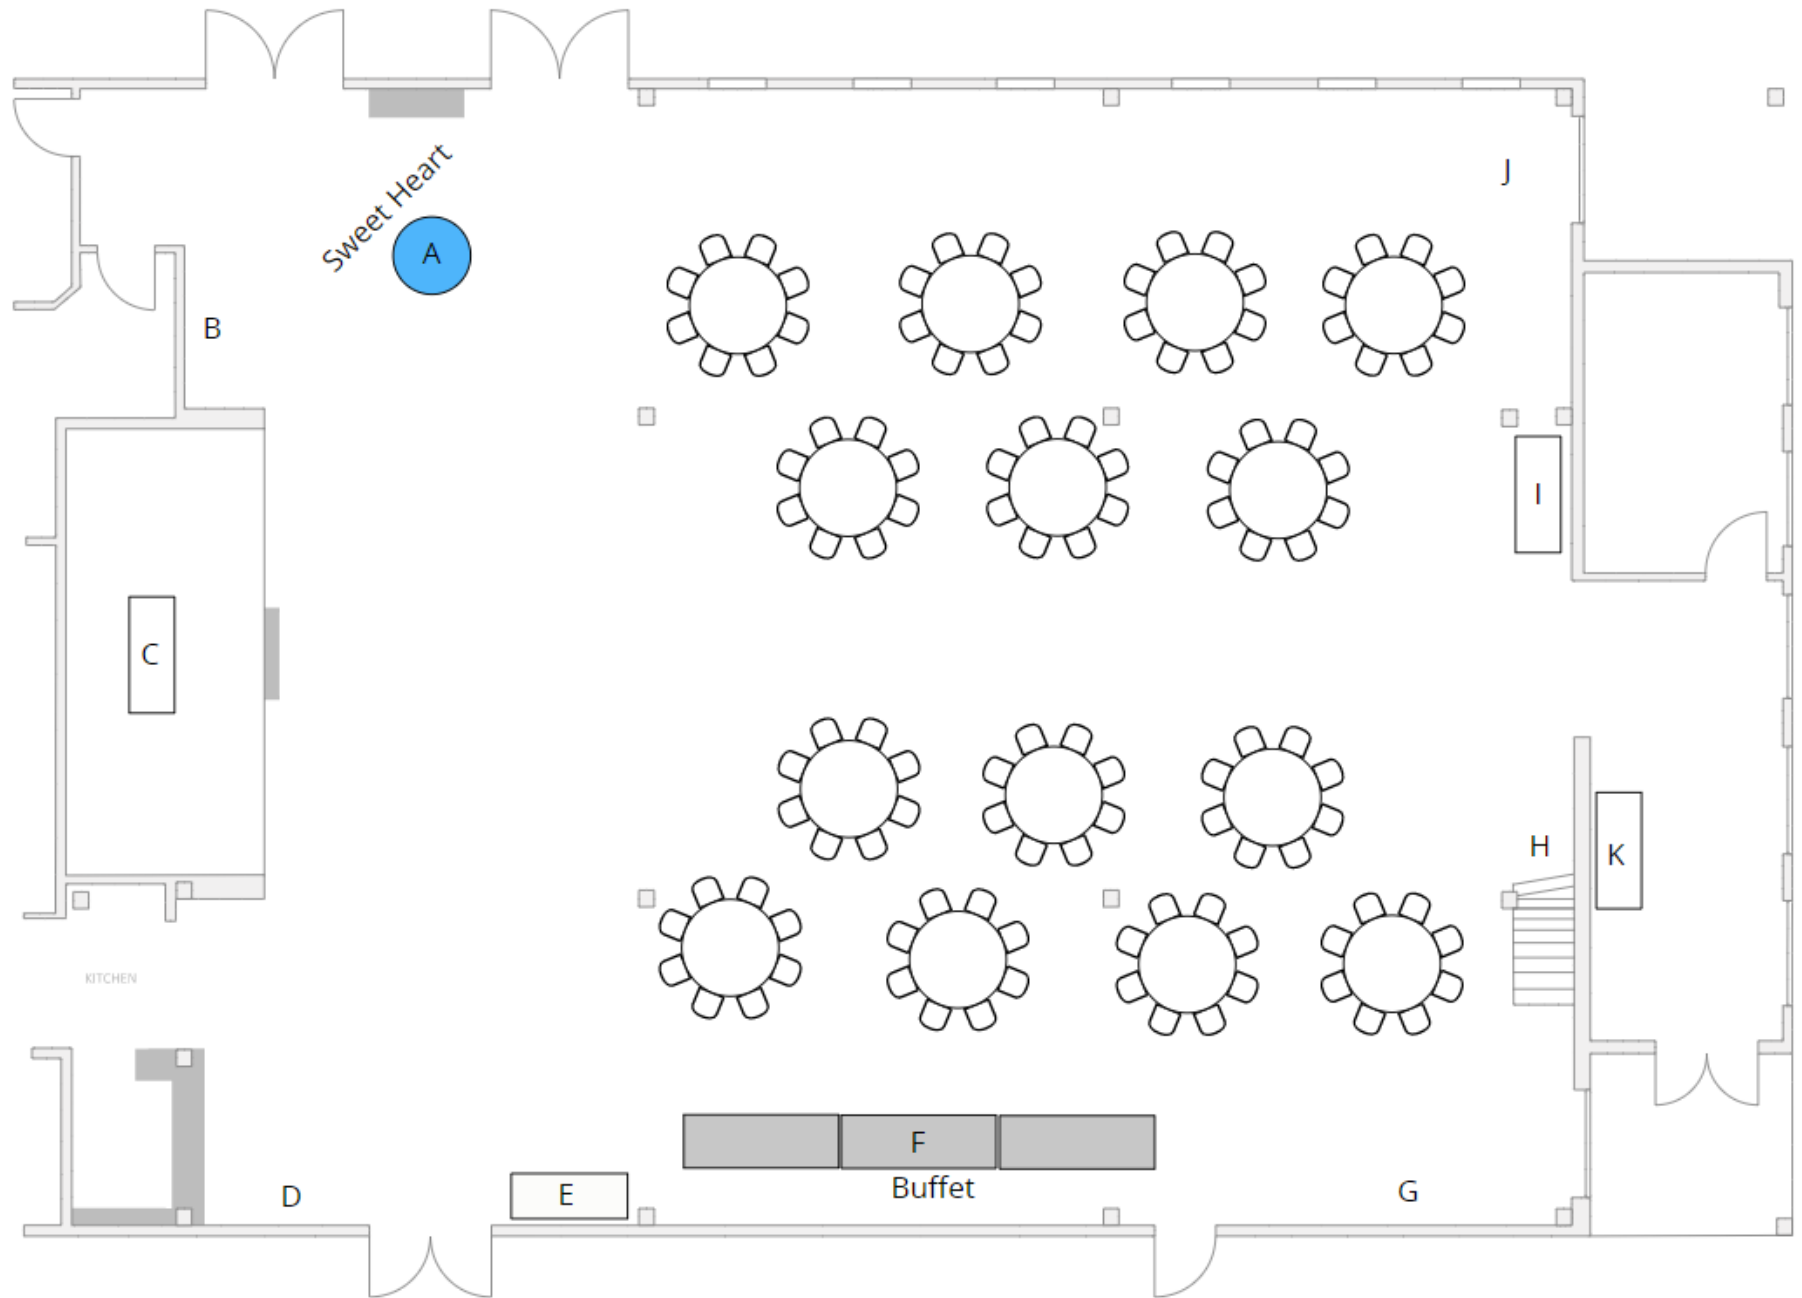

- 1) Number the tables on the floor plan and provide the number of chairs needed at each table.
- 2) Additional table locations:

#	Typical Use	What you need?
A	Sweetheart <i>Normally a 48" round or a 6' rectangle.</i>
